Is it off Columbus Day, Meagan is working that day and Marissa has her MHA at Columbia.

So after that?

Clearly I need u to coordinate for me

Leaves Day for Mikey. Marissa is at school. Meagan doesn't know if she's off.

Thanksgiving is next holiday.

Oh boy..ok please let me know. Maybe they come out for Thanksgiving then

That's fine with me. It's up to them.

Are you able to come here on a weekend?

Could u help coordinate?..j will fly them out or meagan can deive

I can't fly and trip too much for me at this point

Have not been anywhere but wisconsin twice

So ask them if they want to come out for thanksgiving.

I wish i could

Nobody replies to me

Also, when I was looking at their school calendars I just realized Marissa and Mikey are graduating on the same day and time, morning of May 21.

Oh no...I hope to be at one at least...probably marissa

U go to Mike

Or we can figure out..not sure how will be then and how u will get there
